Dear Campus Community,

On May 6, 2020, the U.S. Department of Education announced new rules regarding the handling of Title IX matters by educational institutions. At that time, the University's Title IX Office [issued a statement](#) assuring campus community members of UM's unwavering commitment to preventing and responding to sexual misconduct by any member of our community.

At this time, we are pleased to share that we have concluded our review process and updated the [University's Sexual Misconduct and Sex- or Gender- Based Discrimination policy](#) to be consistent with the new law and with the University's commitment to preventing and addressing sexual misconduct as a means to creating a culture of belonging for all.
