Dear Campus Community,

Earlier today, the U.S. Department of Education announced new rules regarding the handling of Title IX matters by educational institutions. As a result of this announcement, our teams will be taking the next few weeks to review the University's policies and procedures and make necessary adjustments to ensure compliance with the new law by its effective date of August 1, 2024. Once the review process is complete, we will share another update.

In the meantime, we want to assure you that UM's commitment to preventing and responding to sexual misconduct by any member of our community is unwavering. Please note that during the review period, our existing [Sexual Misconduct Policy](#) remains in place, and our teams continue to be available to provide services and support to the community:
